We will receive a check for \$2173 for the overage (registrations minus expenses) of last year's workshop.

Archives report: MSUM Archives has hired a new archivist who will start in late July. We will discuss procedures for book donations with her once she is settled in.

Oral Histories: Nothing new.

Workshop 2018: Jim booked a room at the Travelodge for our main presenter. Cady emailed the group a poster to put around town and has set up our Facebook page to post about our presenters for the next three months. Cady has \$200 in committed sponsors. We will contact past participants soon so they can save the date for this year's workshop. Kristi will mail invitations to the booth vendors soon. Some discussion about food and workshop organization in light of Margaret being out of the country.

Workshop 2019: Discussion was held on main presenter and possible presenters for 2020. There was discussion on the date of the 2019 workshop – Sept 28 or 21, depending on conflicts with other events.

Respectfully submitted,

Markus Krueger, Vice President
